

Call for Papers

8th International Conference on Applied Internet and Information Technologies (AIIT 2019)

OBJECTIVE

Objectives of the *International conference on Applied Internet and Information Technologies* are aligned with the goal of regional economic development. The conference focus is to facilitate implementation of Internet and Information Technologies in all areas of human activities. The conference provides forum for discussion and exchange of experiences between people from universities and research institutions, as well as practitioners from industry and government agencies.

TOPICS

- Information systems
- Software engineering and applications
- Data science
- Big data technologies
- Business intelligence
- IT support to decision-making
- Communications and computer networks
- Data and system security
- Distributed systems
- Internet of things
- Embedded systems
- Software quality
- Software maintenance
- Computer graphics
- IT management
- E-commerce
- E-Government
- E-Education
- Internet marketing
- ICT practice and experience

ROUND TABLE

Improving higher education according to the needs of ICT industry and e-Government

ORGANIZATOR

University of Novi Sad
Technical faculty "Mihajlo Pupin", Zrenjanin
Serbia

Co-organizers

Irkutsk National Research Technical University
Institute of High Technologies, Irkutsk
Matrosov Institute for System Dynamics and
Control Theory SB RAS
Irkutsk State Transport University
Russia

"St. Kliment Ohridski" University
Faculty of Information and Communication
Technologies, Bitola
Republic of Macedonia

Contact

Official web site: <http://www.tfzr.rs/aiit/>
E-mail: aiit.intconference@gmail.com
Phone: +381628019748
Fax: +38123550520

CHAIRMAN

Ljubica Kazi, PhD, University of Novi Sad
Technical faculty "Mihajlo Pupin", Zrenjanin, Serbia

Co-chairman

Evgeny Cherkashin, PhD, Irkutsk National Research Technical University
Institute of High Technologies, Irkutsk, Russia

Blagoj Ristevski, PhD, "St. Kliment Ohridski" University
Faculty of Information and Communication Technologies, Bitola
Republic of Macedonia

PLENARY LECTURES

Topic

Blockchain for Business: Applications and Potentials

Invited speakers

Dr. Dušan Gajić was born in 1982 in Niš, Serbia. He is an Assistant Professor at the Department of Computing and Control Engineering of the University of Novi Sad, Faculty of Technical Sciences, Serbia, and CEO of RealMarket, Novi Sad, Serbia. He received his MSc and PhD degrees in Electrical Engineering and Computing from the University of Niš, Faculty of Electronic Engineering, Serbia, in 2009 and 2014, respectively.

His research interests include parallel and distributed computing, blockchain, GPGPU, algorithm design, and computer vision. He authored or co-authored 5 chapters in international scientific monographs, more than 50 papers published in peer-reviewed journals or presented at scientific conferences, as well as 2 technical solutions. He received best paper awards at ETRAN 2013 and DIPP 2015 conferences.

Dr. Dinu Dragan was born in 1979 in Zrenjanin, Serbia. He is an Assistant Professor at the Department of Computing and Control Engineering of the University of Novi Sad, Faculty of Technical Sciences, Novi Sad, Serbia and COO of RealMarket, Novi Sad, Serbia. He received Bachelor with Honors in Electrical Engineering and Computer Science in 2003, and the MSc and Ph.D. in Computer Science from the University of Novi Sad, Faculty of Technical Sciences, Serbia, in 2008 and 2013, respectively. His research interests include data compression, computer graphics, human-computer interaction, data visualization, computer vision, and, of lately, fintech/regtech. He authored or co-authored more than 50 papers published in peer-reviewed journals or monographs, or presented at scientific conferences, as well as 3 technical solutions.

Call for Papers

International Conference on Applied Internet and Information Technologies (AIIT 2019)

IMPORTANT DATES

Paper submission:

August 30, 2019

Notification of acceptance:

September 7, 2019

Camera ready paper due:

September 15, 2019

Registration form submission:

September 15, 2019

Fee payment:

September 30 2019

Final program:

October 1, 2019

Date of Conference:

October 3-4, 2019

PUBLICATION OF PAPERS

All papers should be prepared according to MS Word template available at the official conference website.

All accepted papers will be published in Conference Proceedings (with ISBN).

Authors of selected papers will be contacted to send extended versions of papers to be published in:

- Journal for Information Technology Education Development and Teaching Methods of Technical and Natural Sciences - ITRO (<http://www.tfzr.rs/casopis-itro/>)
- Journal of Engineering Management and Competitiveness – JEMC (<http://www.tfzr.rs/jemc/>)
- CEUR proceedings (<http://ceur-ws.org/>)

Preliminary Agenda

3 October 2019	4 October 2019
17-18h Registration 17-18h Companies presentation 18h Round table - universities, institutions & companies	9-10h Registration 10:30h <ul style="list-style-type: none">• Invited speakers presentations• Regular paper presentation<ul style="list-style-type: none">– oral sessions– poster sessions

Registration and fee

Fee per paper:

- regular fee: 50 Euros (6.000,00 RSD with PDV)
- PhD students and teachers from primary and secondary schools: 25 Euros (3.000,00 RSD with PDV)
- BSc and MSc students, primary and secondary schools pupils are free of fee payment.

Registration

At least one of paper co-authors should register to receive invoice. Attendance is free of fee payment, but registration is mandatory.

Venue

University of Novi Sad
Technical Faculty "Mihajlo Pupin"
Djure Djakovica bb
Zrenjanin
Serbia

SUPPORTING INSTITUTIONS

- Regional Chamber of Commerce, Zrenjanin, Serbia
- Regional Center for development RCR Banat, Zrenjanin, Serbia
- Municipality of Zrenjanin
- Zrenjaninski IKT Klaster, Zrenjanin, Serbia
- Business Incubator, Zrenjanin, Serbia

Accommodation

- Hotel "Vojvodina"
- St George Apartments
- Vila Filadelfija
- Guest house "Luxotel"
- Fedra Apartments
